

All about..... Rhyming

Did you know that...

- Learning about rhyming is important for young children because it helps develop an ear for our language. Rhyme and rhythm help children to hear the sounds and syllables in words, which make a great foundation for learning to read
- Rhyming words are words that sound the same.

Things to do when out and about...

- Identify some rhyming words when you are out on a walk or in the car, make it into a game.
- A rhyming scavenger hunt in your garden or park (hide objects and encourage your child to find them)

Things to do at home...

- Sing familiar rhyming songs with your child. We have included some of the children's favourite songs so you can help to sing along.
- Find rhyming objects around your home - what things can you and your child find that rhymes, this is a game older siblings could play along with.
- Reading a rhyming story - encourage your child to find the rhyming words on each page
- Listening to rhyming stories and songs - great opportunity to have a quiet or relaxing spot during your day. *Links to you tube stories can be found on the back of this sheet.*
