

***School Enrolment** - Children in their pre-school year require to be registered for primary school. **Please don't forget to let us know once you have done this.** Parents of children who are a January or February birthday have an automatic entitlement to defer their child if they wish, but they **must** still enrol their child at school and let the school know if they wish to defer. Can you also please let us know whether it is your intention to defer your child in order that we can keep a place at nursery for them!*

Second Enrolment Week - Monday 9th Friday 13th January 2017.
