

The Deer Fun Facts

- Deer live in forests and tall grass; you might see them sometimes in your garden and fields when it is hot!
- Deer are herbivores, which mean they only eat plants and flowers, they love berries!
- A male deer is a 'buck' or a 'stag'.
- Male deer grow new antlers each year.
- A female deer is a 'doe' and a young deer is a 'fawn'.
- A group of deer is known as a 'herd'.
- Deer have long legs and can run very fast, up to 30mph.
- They can jump high and swim well.
- Most deer are born with white spots but lose them, their fur is like silk and mostly tan colour.
- Deer are known to be gentle and calm.
